

Ministry Report 2018

Stewarding Perspective

The Foundation stewards Gospel generosity by helping individuals bring God inspired donations to reality through creative gift plans. We work directly with both individuals and ministries to deliver charitable fund administration that pursues the heart of God and preserves the passion of the steward. The Foundation provides professional investment solutions that are both diversified and screened. By managing funds for every type of Southern Baptist ministry, the Georgia Baptist Foundation directly impacts Gospel transformation in every area of life.
